We can make your ad from any copy you provide, or we can work together on design. You can email it to Mike Jackson (empeejaxon@gmail.com), who's happy to work with you at no extra cost. If you want different ads for the program and the monitors, just ask Mike, and color in your monitor slide is free. For general info, you can ask Mike or our newest ad team member Anne Roth (avd.roth@comcast.net).
